POWERED BY QUALITY

OUR STORY

Every amazing idea starts with someone saying “we can do it better” and that’s exactly what our team did in 2017. After more than a decade working as installers, we realized we had the resources to create a quality product that would enhance the look and functionality of outdoor living spaces.

At Valordek, we’re invested in creating a beautiful, waterproof space that suits your lifestyle and your home, all the while freeing up your time to spend it where it matters, rather than on maintenance.

UNIQUE. STYLISH. WATERPROOF.

Our signature waterproof vinyl comes in wood, stone, and classic styles, and is designed to withstand the toughest weather conditions.
